TREE PLANTATION

Tree plantations are an excellent way to help the environment by improving air quality, reducing carbon dioxide levels, and providing habitat for wildlife. Taking this fact into consideration our college NSS unit every year organizes tree plantation activity in college campus as well as in nearby areas.

Vaccination Drive

On September 3rd, 2021, a group of 18 volunteers organized an offline vaccination drive in Vashi, Maharashtra. The event aimed to support the government's efforts to vaccinate as many people as possible against COVID-19 and to promote awareness about the importance of vaccination in controlling the spread of the virus. The volunteers helped to set up the vaccination center and assisted the medical staff in managing the crowd and ensuring a smooth flow of people. They also helped in the registration process and providing information about the vaccination process and its benefits.

BOOK DONATION DRIVE

Donating books is a noble act of charity that helps spread knowledge and wisdom. Old books that gather dust on shelves can bring joy and enlightenment to someone else through donation. Keeping this in mind our college NSS unit conducts book donation drive through which volunteers collect books from donors and donate them to the needy students.

Book donation drives are a great way to promote literacy and education. On August 14th, 2022,35 volunteers participated in a book donation event. Volunteers distributed books, pencils and biscuits to individual child of Sector 20 slum area. They also spent an fun filled evening with them by organising fun games and activities with slum children.

A street play or "nukkad natak" is an effective way to engage the community and raise awareness about social issues.

A street play campaign for three days with 25 volunteers to commemorate AIDS Day could involve a variety of activities. Volunteers could organize street plays in public areas such as parks, streets, and marketplaces to spread awareness about HIV/AIDS prevention, testing, and treatment. The street play could be designed to be interactive, where the audience could participate and ask questions about HIV/AIDS.
