Women Development Cell:

Motto of the Women Development Cell of our college: **Encourage, enhance and empower .**

The College has established a Women Development Cell in the college campus for the women faculty, staff and girl students, to enhance understanding of issues related to women and to make the college campus a safe place for them. With an aim of creating awareness of their rights and duties the cell organizes and participates in seminars, talks and also takes up women's issues and problems. It also provides a platform for women to share their experiences and views regarding their status in the society and to suggest ways to improve and empower themselves. Aiming at intellectual and social upliftment of the female students, the cell stands for facilitating women's empowerment through guest lectures, seminars, awareness programmes, life skill training programmes, entrepreneur training and other welfare activities.

Objectives – These are to serve the Women faculty and students of college.

- To enhance the self-esteem and self-confidence of women students, faculty and staff in the college.
- To promote intellectual and cultural activities for overall personality development of student.
- To enable women to make informed choices in areas like education, employment and health especially reproductive health.
- To enhance their participation on an equal footing in all areas.
- To prevent sexual harassment and to promote general well-being of female students, teaching and non-teaching women staff of Smt.S.D.College of Science and Commerce.
- To create social awareness about the problems of women and in particular regarding gender discrimination.
- To encourage participation of NGOs working in the area of women's development in the activities of the Cell.
- To organize seminars, workshops for creating general awareness and orientation of students, teachers, non-teaching staff for their active and sustained participation in the activities of Cell.

Event - "Online Seminar on Awareness About Cyber Crime Specially For Women"

Date: 8th May 2021

WDC Cell along with NSS Unit has celebrated "**International Women's Day**" on 8th March 2021 by conducting "**Online Seminar on Awareness About Cyber Crime Specially For Women**" to impart knowledge to the students and staff about the various issues related to cybercrime and hacking.. On this day we invited a special Guest **Mr. Govind Modanwal**, an Ethical hacking specialist. Most of the students as well as all teaching staff actively participated this online seminar which were conducted on Google meet.

Cybercrime is a criminal activity in which a computer is used as source, tool or target. He Discussed various theories in the Cyber Crime world like "The Broken World Theory" which states that due to negligence of crimes full society can be corrupted if one criminal starts living in the society. "If minor petty crime is not dealt with, crime will increase". There are different types of cybercrime like hacking, denial of service , virus dissemination ,piracy ,phishing, spoofing , defamation ,IRC crimes etc.

Cybercrimes can be done by using keylogger or some spyware software like Creepware. He shared lots of case studies with us like the case of Cassidy wolf. Websites used for downloading songs like Songs.pk are also supporting piracy and are underworld operated sites to hack user data. Credit cards frauds are done with the help of skimmers. Emerging fields for coders and non-coders were stated by him. At last, the interaction round was conducted where students and teachers asked their queries and he solved all of them. He also shared his and other helpline numbers to all, for their security and safety concerns in future.

The session ended with a thank you note and filling of the feedback forms.
